

JENNA GREEN, MHA

Chief Quality Officer, HealthWorks

Jenna Green is the chief quality officer at HealthWorks in Cheyenne, WY. She assisted her organization in receiving National Committee for Quality Assurance (NCQA) Patient Centered Medical Home (PCMH) recognition in 2019 and is a certified NCQA PCMH Content Expert. She has worked in both health care IT and community health for her entire career and has a passion for developing programs that expand access to underserved populations. Her primary focus since 2018 has been expanding screening for social determinants of health at Healthworks and establishing systems and programs to address individual patient needs for better health outcomes.
