

JENNIFER SAUERESSIG, RN

Nurse Manager, Northland Health Centers

Jennifer Saueressig joined Northland Health Centers in 2013 and currently serves as the nurse manager. Her main responsibilities are to lead by example and motivate staff to deliver high-quality care to the underserved patients of North Dakota. Jennifer works closely with the communities that Northland Health Centers serve, including building relationships with local and state resources in order to connect patients to the care they need. Jennifer also provides clinical expertise, supervises care delivery systems to ensure accuracy and consistency, and recognizes and assists in solving clinical and administrative problems.
