

Chuck Beck | Community Engagement Navigator

Chuck Beck joined CHAD in February 2022 as a community engagement navigator (CEN). In this role, Chuck educates and assists patients and community members in selecting health care insurance options in the federal Marketplace. Chuck will also spearhead outreach and education efforts to raise awareness about health coverage options. The CEN enhances the Get Covered South Dakota Collaborative's ability to support increased access to health care coverage for target populations in South Dakota.

Prior to his time at CHAD, Chuck spent 13 years with the American Coalition for Ethanol (ACE), where he primarily worked in market development and consumer outreach. Chuck graduated from Brown College with a communications degree. In his spare time, he likes to read and play tennis. He lives in Sioux Falls with his fiancée Abby and their two cats, Nancy and Nora.
