

Kayla Hanson

Communications & Marketing Manager

Start Date: 10/15/2015

Kayla Hanson joined CHAD in October of 2015. Kayla's role at CHAD is managing the communication, marketing, and graphic design activities for CHAD and will serve as a source to provide training and technical assistance for all health centers on communication and marketing matters. She also provides administrative support to the Bismarck Office and the organization as needed. Kayla graduated from Bismarck State College with an Associate's degree in Graphic Design & Communications. She resides in Mandan, ND with her husband.
