

Mary Hoffman | Director of People and Culture

Mary Hoffman joined CHAD in 2011 and was promoted to director in 2014. She oversees day-to-day operations at CHAD, including recruitment and hiring, staff development, and enrichment. She also manages the funding, reporting, and oversight of the HRSA primary care association grant.

Mary directs internal operations related to staff growth, development, and HR. She also leads workforce development at CHAD to support staffing needs at community health centers in North Dakota and South Dakota and South Dakota Urban Indian Health. Before coming to CHAD, Mary worked in various clinical laboratory settings, including technologist, technical supervisor, and outreach consultant.

Mary received a Bachelor of Science degree in medical technology from the University of Mary in Bismarck. When not at work, Mary enjoys golfing, boating, and spending time with her grandchildren and her naughty dog, Nash.
