

Amber Huez, MBA, BSN, RN | Policy and Partnership Manager

Amber joined CHAD in January 2023 as the policy and partnership manager. She builds relationships through collaboration with health centers, community leaders, key legislative and congressional leaders, state partners, state Medicaid offices, and Insurance Commissioners to improve access to affordable, high-quality care for all Dakotans. She is also responsible for facilitating the North Dakota Oral Health Coalition.

Previously, Amber served as the North Dakota Medicaid quality and dental manager. She was instrumental in establishing the Medicaid Quality Program to drive high-quality care for Medicaid beneficiaries and led the effort to reduce the administrative burden for Medicaid dental providers. She was also the project manager for the CMS Oral Health Affinity Group, which partnered with the North Dakota Oral Health Program to promote the medical-dental integration model to increase topical fluoride varnish application for Medicaid beneficiaries.

Amber graduated from the University of Texas at Tyler with an MBA in healthcare management. She obtained her BSN from Drexel University. Amber enjoys spending time with her husband and three boys. She is a member of the American Quarter Horse Association and National Reining Horse Association, where she competes in horse shows in ranch riding and reining.
